Our Program

The Reading Department provides individualized literacy instruction to students who are reading below grade level.

With our innovative, adaptive literacy programs, students access content at their reading level to build their reading abilities.

CONTACT

If you have any questions regarding our reading program, please contact our office.

If your child is enrolled in a reading course and you wish to talk to the teacher, please contact the school.

Courses

Reading Intensive

This course is offered to students who are reading significantly below grade level. It focuses on phonics and fluency to build students' foundational reading skills.

Reading Support

This course is offered to students who are reading below grade level. Students build their comprehension skills, reading habits, and critical thinking skills.

Freshman English

This is a required course for graduation. All students enrolled in a reading intervention course will be concurrently enrolled in this class in order to remain on track for graduation.

Our Staff

Reading Teachers

We have qualified and dedicated reading teachers in our schools. Each teacher holds a Reading Specialist endorsement.

Paraprofessionals

We have dedicated paraprofessionals who provide one-on-one support to our students in reading and English courses throughout the school day.

Goals

- Provide staff with continuous, professional development
- Provide individualized literacy instruction to students
- Provide tutoring support
- Provide summer intervention opportunities to students who need extra support
